Spanish (Native).
English (Proficient).
Norwegian (Fluent).
Danish (Intermediate).

FINANCE GRADUATE

Highly motivated Software Developer with a M.Sc. in Finance and Economics. My passion for coding started at University with the statistical software that we used to recreate econometric models, which later led to JavaScript and Web-development. Besides the basics of programming languages and web development, I have mainly focused on how to work with Node.js, Express and React. Check out my portfolio in the Links below!
